### "Push the Button and Rest"

By merely pressing a button you can adjust the back and to any desired position. No clumsy rack and rod to bother with—just "push the button and rest" THAT'S ALL.

You will find that, as soon as you get a Royal Push Button Chair in your home, every member of your family will want to occupy it as his or her own personal chair, and we know that you will be greatly pleased with both its simplicity of operation and the excellent manner in which it is made.

We carry these famous chairs in many styles and finishes and all the grades of coverings. Sold with or without foot rest.

Despite its superior merit a Royal cost no more than the old fashioned inconvenient kind.

Prices \$11.50 to \$20.00 Up

## EASTER SUNDAY PARADE

(Now in View)

With Easter Sunday almost here—the occasion when every lady wants something new that has the touch of spring. This, of course, includes you. Our advice is buy while the assortment is complete and the things are new and attractive. We have spent many weeks planning and studying the new style changes, that we could get together, the best and newest the season affords. The result is the best showing of Spring Goods in every department we have ever got together. Here are Easter Novelties, Ties, Collars, Belts and the best showing of dainty, white Muslin Underwear we ever had. If you do not care for them for Easter you will need them soon, and an early selection is sure to never be regretted.

### Easter Novelties

Our display of new Bell Buckles is the largest and best we ever have shown. These are the newest and best designs of the season.

At 25c is a line of these new Buckles and Pins, that you can hardly tell from the 50c grade.

At 50c is a line of these new Buckles and Pins in different designs, and entirely new in shape and design.

In the better grades of Belt Pins, up to \$1.25, you will find some very new things.

### Easter Ribbons

The new Easter Ribbons are prettier than ever, and our display is the best and largest we have ever shown, both in the plain and fancy. These are very good and essential to go with the new Belt Pins, which are used so much just now.

### Easter Collars

Here are some new things that will interest those who want to add some new touch to their costume. Here are some good values, ranging in price from 25c to \$1.25 each. See them.

Just in—a new line of Jabots at 25c and 50c.

To make the old hat take on a touch of spring or still to finish up the new one, you should get one of our new Hat Pins, which are entirely new.

### The New Corset

To have the new dress fit well, look well and proper, you should have one of the long hip Corsets. The R. & G. or Royal Worcester are considered by Corset experts to be among the leading Corsets on the market to-day.

If you will look over either of these makes in the \$1.00 grade and consider the workmanship and quality of material, you will wonder how they can make such a Corset for \$1.00.

At \$2.50 and \$3.00 are some new models that are especially good for stout ladies. If you want a Corset that will give you the proper figure and at the same time get the service which you would like, try this new long Corset.

### Ladies' Hose

Here is an item that interests all, as every lady likes nice Hosiery. We have just received some new numbers in a last black, fine Lisle Gause Hose, at 25c; these are good values.

At 50c is a lot of plain Silk Lisle-thread Hose in a quality that is extra good.

For a little heavier, try the Black Cat. These we carry in ladies and children's sizes.

### New Auto Veil

We have just received some new things in Silk Automobile Veils, in all colors. These are a little different, with wide silk border and a fine quality of chiffon.

### New Chanticleer Bag

Here is a line of ladies' Leather Shopping Bags, which are entirely new. These are large Bags, made of cape goat seal, lined with leather, with leather pockets and card case and pocketbook.

Another fine Leather Bag is made of cape goat seal and lined with heavy bengaline silk. Has heavy brass frame and fastener.

One of the most nobby Chanticleer Bags is made of a silk velvet and lined with bengaline silk. Has shirred pocket, with pocketbook.

### New Belts

Ladies' Belts change as often as do dresses. It is necessary to keep new things all the time. Here are new ideas.

We have a good line of Silk Elastic Belts, with jet and cut steel buckles. Also the fancy buckle; also the plain Silk Belt, ranging in price from 25c. 50c, to \$1.25. Come in every size at the same price.

### Easter Gloves

Easter is the best time of the whole year for the sale of Gloves. We are showing some new things in the popular kinds of the season.

A few of the most popular kinds just now are the Chamois and Chamoisette. The plain Kid Glove is always good and these we have in all the popular shades, prices \$1.00, \$1.25 and \$1.50.

The Silks we have in both the long and short lengths.

**Ladies' Tailored Suits**  
This department will not escape your notice, as here is where we are stronger than ever.

The new Suits we start at \$10.00, and our new special at \$15.00 is hard to beat at a good advance of that price.

At \$18.00 is a line of Suits made of a fine all-wool serge. Comes in all colors, has a guaranteed lining and is stayed across the back.

In the better grades, we have the largest assortment we have ever shown. These we have in a large variety of different models of only one Suit of a kind. Prices from \$20.00 to \$35.00.

### New Spring Waists

The new Soft Muslin Waist is more attractive than ever this season. We are having new arrivals every day up to \$6.50.

These Waists we are showing in good models at \$1.00, and better ones up to \$6.50.

The new All-over Embroidery Waist is surely a leader this season. These are made in the best styles and of a fine quality of material. Space will not permit of a description, but a look will convince you of their value.

Ladies' Long and Short Coats will both be good, but the most popular ones are the long ones. Our line of these is complete in the plain colors, as well as novelties. The prices are from \$10.00 to \$20.00. See them.

### Regal Shoes

Our Easter Oxfords are now open, ready for your inspection. The name "Regal" is a guarantee as to style and quality. We have now got together a line of the most popular styles of Oxfords in tans, blacks and grey. We have had customers tell us that they wore only one pair of Regal Oxfords last season, where ordinarily they have had to have two. These are the Shoes that come in one-fourth sizes and fit the foot, which helps in the wear, and you will have a good shaped Shoe as long as you wear them. Price is no more than any other high-grade Shoe.

Easter is the opening time of Undermuslins. We have now a full and complete line of all grades. Here is a department that should appeal to all who like nice Underwear. Cut your wash goods by a New Idea Pattern and get a garment that fits. All Patterns 10 cents.

## Adler-Rochester Grays and Blues For Easter

Easter day will see thousands of men who will know wearing Adler-Rochester Grays and Blues—fashion's most favored colors this season.

The richest shades, the handsomest patterns, the finest fabrics are commanded by the makers of these famous clothes.

Adler-Rochester are made in the finest tailoring institution in the country—a plant with 1011 windows, where sunshine and air, health and happiness abound.

Every garment is the work of masters in the tailoring craft. Better style, fit and finish is not given by the finest custom-tailors.

It will pay you to come in and see our stock of ADLER-ROCHESTER CLOTHES. It is a revelation and delight to every man who cares. See what the Saturday Evening Post has to say of the Adler-Rochester Clothes.

Adler-Rochester styles are the result of the efforts of master designers—men who gather their ideas in world-famous fashion centers.

Adler-Rochester Clothes are never flashy, never extreme, never ridiculous. But they always insure—to the young men and the older—what the best of their class will wear.

The fit is the result of forty years' study of every type of man, and this lasts until the garment is worn out, because of the rare attention to inner details—parts unseen.
